

ECS Mandate Form

To enable faster remittance of dividend through "National Electronic Clearing Service" (NECS), Members are requested to provide their new account number allotted to them by their respective banks after implementation of Core Banking Solutions (CBS). The account number must be provided to the Company in respect of the shares held in physical form and to your Depository Participants in respect of the shares held in electronic form.

Shareholders holding shares in physical form are requested to provide details of their bank account for availing "Electronic Clearing Service" (ECS) facility in the form attached below. However, if the shares are held in dematerialised form, the ECS mandate has to be communicated to the respective Depository Participant (DP). Changes, if any, in the details furnished earlier may also be communicated to the Company or DP, as the case may be. The Company uses ECS facility for remitting dividends to its shareholders wherever available.
